Re: Failure to Rebut Affidavit of Status and Conditional Acceptance, Affidavit of Damage and Invoice to Recover Damages, and Declaration of Revocation of Election

---

I, Gregory-Alan: Williams, Trustee of the Williams Family Estate™, a private irrevocable trust, do hereby give notice and lawful affirmation as follows:

1. On July 25, 2025, I caused a formal and lawful presentment to be delivered via USPS Certified Mail with Return Receipt to your office, regarding a presentment received from your office alleging a tax return requirement for the year 2023 and asserting presumptions of taxpayer liability.
2. This presentment included an Affidavit of Status and Conditional Acceptance, an Affidavit of Damage and Invoice to Recover Damages, my Declaration of Revocation of Election (Lamar County, GA, Book 88, pp. 755–763), and Exhibits A through C, as detailed in the accompanying cover letter, all rebutting your presumptions and requesting verified proof of claim.
3. According to USPS tracking number **9214 7901 3247 3400 2239 1530 90**, said package was delivered on **August 4, 2025 at 7:56 AM**.

4. The original presentment afforded you **10 (ten)** calendar days from date of receipt to rebut the claims therein with a point-for-point affidavit sworn under full commercial liability and penalty of perjury. That deadline expired on **August 14, 2025, unrebutted.**
5. No sworn affidavit has been received, nor any attempt made to cure or rebut the lawful claims enclosed. As such, your office now stands in commercial and lawful fault and dishonor.
6. In honor and good faith, I hereby offer a final **3-day opportunity to cure**, nunc pro tunc, from the date of this notice. You may cure by:
  - Providing a point-for-point rebuttal in the form of a sworn affidavit, signed under full commercial liability and penalty of perjury
  - Producing verified documentation evidencing a lawful obligation or contract with my trust or the living man
7. If no such cure is received by **August 18, 2025**, all claims, affidavits, invoices, and terms previously noticed shall be deemed finally accepted as truth in commerce, fully binding, and enforceable without further notice.
8. A public Certificate of Service documenting proper delivery of the original presentment has been published at:  
<https://williamsfamilyestate.org/notice/IRS-0003/>
9. All rights reserved. This notice is made without prejudice and with full reservation of rights in equity, law, and commerce. Let silence not be mistaken for consent.

---

#### Affirmation

I affirm under penalty of perjury under the laws of equity and good conscience that the foregoing is true, correct, and complete to the best of my knowledge.

In Honor,
